

## Letter of Appreciate to Your Security Contribution to PAXSTORE SDK

Dear Sebastián Alba Vives,

On behalf of the MAXSTORE Security Team at PAX, we would like to sincerely thank you for your responsible and thoughtful disclosure of the security vulnerabilities you reported to us.

We have thoroughly verified your findings, and all identified issues have been successfully remediated. The fixes have been included in the latest release, published on GitHub by the end of June 2026.

As project security lead, I want to express my deepest appreciation for your time, exceptional expertise, and steadfast commitment to security ethics. Your professional vigilance and alignment with cybersecurity best practices enabled us to mitigate risks, strengthen the security posture, and ultimately protect users across our platform and the broader ecosystem.

We proudly credit your discovery in our GitHub release notes to ensure your contribution is recognized by the community. And we are delighted to send you a special token of appreciation as a gesture of our sincere gratitude.

Thank you once again for being a trusted ally in securing our software. Independent researchers like you make the tech ecosystem not just safer, but more resilient. We truly value your support and hope to cross paths with you again in the future.

Warm Regards,  
Emilia Gu  
Security Manager, MAXSTORE @ PAX
